Reclaiming the Horizon: Celebrating Our History and Engineering Our Future

This Spring, as we join the global community in celebrating Women’s History Month, we are reflecting on a powerful truth: history isn’t just something we read about—it’s something we create every single day through our choices, our faith, and our resilience.

Inspiring Inclusion: Our Mission in Action

The theme for Women’s History Month 2026 is “Inspire Inclusion.” For our Women Empowerment Program, this isn’t just a slogan; it is the heartbeat of our outreach. Whether we are walking alongside a survivor of human trafficking as she reclaims her voice or supporting a woman in transition as she navigates her path to independence, we are building a world where every woman is included in the promise of a bright future. Real change is made possible by your radical generosity. Over the past year, thanks to your support we have made real impact:

- Assisted nearly 1000 individual impacted by homelessness.
- Advocated for and assisted nearly 200 human trafficking survivors
- 100% of our program participants received spiritual mentorship and professional skills training to help them live as their best selves.

You Are Invited: The 2nd Annual Whole Woman Conference

As we honor the women who came before us, we are also looking ahead to the women we are becoming. We are thrilled to invite you to our **2nd Annual Whole Woman Conference: Spirit, Soul, and Body**, taking place on April 17th & 18th at the Bensenville Park District.
